CERCAMS: External links

Co-sponsors of joint activities

- International Association on the Genesis of Ore Deposits (IAGOD)
- Society for Geology Applied to Mineral Deposits (SGA)
- Society of Economic Geologists (SEG)
- International Geological Correlation Programme (IGCP)

Cooperation partners

- A.P.Karpinsky All-Russia Geological Research Institute (VSEGEI)
- V.S.Sobolev Institute of Geology and Mineralogy (IGM SB RAS)
- Irkutsk Scientific Centre (ISC SB RAS)
- Far East Geological Institute (FEGI FEB RAS)
- Geological Survey of Canada
- U.S. Geological Survey (USGS)
- Bureau de Recherches Géologiques et Minières (BRGM)
- British Geological Survey (BGS)
- GEMOC ARC National Key Centre
- Mineral Resources Authority of Mongolia
- National Institute of Advanced Industrial Science and Technology (AIST)
- Geological Survey of Japan

GIS-based projects of interest to CERCAMS

- GSC World Minerals Geoscience Database Project
- USGS Commodity Statistics and Information
- GEODE Largest Ore Deposits in Europe
- BRGM's GIS Andes
- MinUrals - Mineral resources of the Urals: origin, development and environmental impacts
